

## **Ideal-ist: globally connecting people in FP7! 28 September 2010 14.00 – 15.30**

Dear Sir/Madam

The **ICT Event 2010** is taking place in Brussels, Belgium from **27 – 29 September 2010** is the most important European event in the field of Information and Communication Technologies (ICT).

It is THE opportunity for all organisations interested in participating in the European ICT research to get the newest information about the ICT work programme 2011-2012 and an excellent occasion to network with other organisations from all over the world.

We are pleased to invite you to participate in the networking session '*Ideal-ist: globally connecting people in FP7*' taking place **28 September 2010 14 – 15.30**

### **You will have the opportunity to**

- **get informed how you can improve your participation in the ICT theme of FP7**
- **present, discuss and develop new project ideas on ICT**
- **speed date potential project partners from all over the world**

If you **have a project idea** in line with the challenges of ICT work programme and you are looking for the most appropriate way of completing your consortium or for an experienced project coordinator, then this is market place to be!

If **you would like to participate to the ICT programme** then you can get both the knowledge and essential contacts you need to optimize your chances of success in the next calls of FP7. Come in and listen!

There will be 3 parts in this 90 minutes networking session:

- |         |  |
|---------|--|
| Part A: | Presentation of tips, tools and services dedicated to improve your success in the ICT programme in FP7 |
| Part B: | Presentation of project ideas in line with the ICT work programme                                      |
| Part C: | Speed date potential project partners  |

## What are the next steps?
