## ***Symposium on Environmental Electromagnetic Compatibility 2012 IEEE EMCS Croatia Chapter Meetings***

### ***Tuesday, September 11, 2012***

***Location : Hotel Radisson Blue Resort, Split***

*08.30 - 10.00: Tutorial T7 - Electromagnetic Compatibility and Performance at Ultra-Low Frequencies in Electronic System for Sensing and Actuation of Test Mass of the Inertial Sensor LISA and LISA Pathfinder (D. Mance), (Hall Šolta)*

*10.30 - 12.00: Tutorial T4 - Advanced Computational Methods in Electromagnetic Compatibility (D.Poljak), (Hall Šolta)*

*12.45 – 13.15: Plenary talk: E. Joffe, Probing the Future: On the Role of Universities, Industry Entrepreneurs and Profesional Societies, (Hall Grand Ballroom)*

*15.00 - 16.30: Tutorial T5 - Functional Safety and EMC: Are they Consistent? (E.Joffe), (Hall Šolta)*

*17.00 - 18.30: Tutorial T3 - EMC tutorial and applications for physics research (F.Szoncso) (Hall Šolta)*

### ***Wednesday, September 12, 2012***

***Location: Hotel Radisson Blue Resort, Split***

*08.30 - 10.00: Session SYM2/I) (Hall Hvar)*

*11.00 - 12.30: Opening Ceremony and Plenary Talks (Hall Grand Ballroom)*

*16.00 - 17.30: Session SYM2/II, (Hall Hvar)*

*18.00 - 20.00: Welcome Party in Split, (Diocletian Palace)*

### ***Thursday, September 13, 2012***

***Location : Hotel Radisson Blue Resort, Split***

*08.30 - 09.45: Tutorial T6 - A Simplified Statistical Approach to Harmonically-Related RF Compatibility Investigation between Low Duty Cycle Networks (E. Joffe), (Hall Šolta)*

*10.00 - 11.30: Tutorial T8 - Validation of Computational Electromagnetics - an update on recent developments (A. Duffy), (Hall Šolta)*
