Symposium on Environmental Electromagnetic Compatibility EEMC 2010

IEEE EMCS Croatia Chapter Meetings

Location: Hotel Elaphusa, Bol

Thursday, 23 September 2010

- 09.00 - 10.30: Tutorial T2: Stochastic and Behavioral Models for EMC Predictions, Flavio Canavero, Politecnico di Torino, Italy (hall Mljet)
- 14.00 – 15.30: Tutorial T3: Electromagnetic Field Interaction with Transmission Lines from Classical TL Approximation to High-Frequency Radiation Effects, Sergey V. Tkachenko (Oto-von-guericke University, Magdeburg, Germany (hall Mljet)
- 16.00 - 17.30: Tutorial T4: Numerical Modelling in Electromagnetic Compatibility, Dragan Poljak, University of Split, FESB, Croatia (hall Mljet)
- 17.30 – 18.00: Invited talk: Ethical Challenges in the Engineering Profession, Elya Joffe (K.T.M. Project Engineering, Israel) Past President of the IEEE EMC Society, (hall Vis)
- 20.00 – 21.00: Welcome by the Bol's mayor (Vinski podrum at the Port of Bol)

Friday, 24 September 2010

- 09.00 - 10.30: Session SYM1/I (hall Vis)
- 11.30 - 13.00: Opening Ceremony and Keynote Speech (hall Hvar)
- 13.00 – 15.00: Conference Luncheon
- 15.00 - 16.30: Session SYM1/II (hall Vis)
- 17.00 – 18.30: Session SYM1/III (hall Vis)
- 18.45 – 19.15: Invited talk: Using Reverberation Chambers for EM Measurements, (University of Twente, The Netherlands) (hall Vis)

Saturday, 25 September 2010

- 09.00 - 10.30: Tutorial T5: EMC Requirements Elicitation, Elya Joffe (K.T.M. Project Engineering, Israel) Past President of the IEEE EMC Society (hall Mljet)
- 11.00 - 12.30: Tutorial T6: How to Fail EMC in 10 Easy Lessons, Elya Joffe (K.T.M. Project Engineering, Israel) Past President of the IEEE EMC Society (hall Mljet)
- 13.00 - 17.00: Award lancheon and Transfer to Split
- 18.00 - 21.30: Guided Tour and Evening in Split
