Graduates Of The Last Decade

GOLD (engl. Graduates Of the Last Decade) predstavlja skupinu IEEE članova koji su diplomirali u posljednjih 10 godina. Svrha GOLD-a je poticati aktivnosti IEEE GOLD članova na lokalnoj razini, kako bi se premostio njihov prijelaz iz studentskog članstva u punopravno članstvo, te podržati IEEE GOLD članove da i dalje ostanu aktivni članovi IEEE-a.
